Summary

Software engineer specialized in DevOps and backend development: I design AWS cloud architectures, automate deployments with Docker and GitHub Actions, and build APIs with Django and Django REST Framework. Free Software enthusiast who self-hosts and manages my own Linux servers, with a particular interest in security and applied cryptography for infrastructure.

Experience

Cranberrychic, DevOps / Developer

- Backend development of a web application using Django and Django REST Framework together with Celery for scheduled tasks. Dockerized for deployment.
- Designed the cloud deployment architecture on AWS using EC2, S3, RDS, ECR, SES, and CloudFront.
- Automated frontend (React) deployment using GitHub Actions, AWS S3, and CloudFront.

Santiago, Chile
 Mar 2022 – Dec 2025
 3 years 10 months

Bloqzilla SpA, Developer

- Developed a LaTeX report generator module in Python.
- Developed a Microsoft Access to JSON database converter module in Java.
- Developed a web-based report visualization tool in JavaScript.
- Bug fixing.

Santiago, Chile
 Aug 2019 – Oct 2020
 1 year 3 months

TecnoSmart SpA, Intern

- Developed a distributed scraper for Chilean Judiciary (Poder Judicial) data for subsequent analysis.

Santiago, Chile
 Jan 2019 – Feb 2019
 2 months

TecnoSmart SpA, Developer

- Supporting development for an Android project.

Santiago, Chile
 May 2018 – May 2018
 1 month

TecnoSmart SpA, Intern

- Android development.

Santiago, Chile
 Jan 2018 – Feb 2018
 2 months

Education

MSc Universidad de Chile, Science, Computer Science Track

Santiago, Chile
 Jan 2020 – Jan 2026

BSc Universidad de Chile, Computer Engineering

Santiago, Chile
 Jan 2015 – Jan 2020

Skills

Backend & Data: Python, Django, Django REST Framework, Celery

Cloud & DevOps: AWS (EC2, S3, RDS, ECR, SES, CloudFront), Docker, GitHub Actions, Linux

Frontend: React, JavaScript

Additional Tools: Java, C, Rust, Git, LaTeX, Emacs, OpenWRT

Spoken Languages: Spanish (Native), English (Fluent - TOEFL ITP B2)

Awards

Outstanding Student

FCFM, Universidad de Chile

Santiago, Chile

2018 – 2020

Universidad de Chile Scholarship (BUCH)

Universidad de Chile

Santiago, Chile

Jan 2015

Extracurricular Activities

Computer Science Department Student Council, Co-Director of Outreach

Santiago, Chile

- Coordinated Richard Stallman's presentation at Universidad de Chile.
- Established communications with computer science student councils at other universities.
